

Ken Hartwig

My name is Ken Hartwig and I am the decorations chair for Touch a Quarter Century. I have been square dancing since 2001 with CCCD when I met my current partner, Michael Spayd. I have been the supportive spouse with all of his square dance endeavors and the convention is no exception. By profession, I own my own hair salon and also teach scuba diving. If you have any questions or comments about convention decorations, feel free to contact me directly at kendwig@aol.com.
