

John R. Johnson

Hi, my name is John R. Johnson and I will be in charge of Merchandising and Registration. My partner is Earl Melvin, who is one of the co-chairs for this Convention. I square danced with Cleveland City Country Dancers for about 4 years back in the 1990's. I moved to Cleveland from Youngstown Ohio late in 1992. I was lucky to meet Earl in 1993 and have been with him ever since.

I have come to love camping, if you want to call it that, thanks to Earl. Instead of tenting, we have a nice 40 foot park model with all of the modern conveniences in a beautiful wooded setting at a campground 50 miles east of here. It makes a great escape on the weekends since I've work right in downtown Cleveland for the last 5 years.

I am so looking forward to meeting and talking to everyone over the next year. I have no doubt that the 25th IAGSDC Convention will surpass everyone's expectations.
