OB/GYN Coordinator for 18 of the 33 (yes 33 years) @ Metro Health Medical Center

I've been square dancing for about 16yrs with CCCD and line dancing with the sister club, The Rainbow Wranglers. My first convention was in Albuquerque in '92 and I had MANY questions!!! Where did all these people come from? What the heck is a Golden Boot (and who would wear them?) Why do they all want to get together JUST to dance and what is making them all SMILE so much??? Who in the heck is the Honky Tonk Queen – and why does she have a beard?! LEATHER??!! – you have to be kidding me – we're going to dance in it?? IN 90 degree weather??!! Well of course lots of those questions were answered by the time Convention was over and I couldn't wait to hit Seattle in '93 and see all of these new, fun friends of mine!! I made every convention until 1999 – took a break and then broke my leg in a motorcycle accident in 2004. Denver was my return to the greatly missed Conventions, to my square dance friends and to those wonderful FUN BADGE TOURS!!

Cleveland is planning a ROCKIN' good time for you in 2008 – you'll love Lake Erie, Cedar Point and all the great callers we have in store for you..... I'll see ya on the dance floor – and by the way HAPPY 25th !!!
