

NEW DANCER INCENTIVE

“Silver Babies”

Touch a Quarter Century and Cleveland City Country Dancers are very busy planning a great convention for all of you here in Cleveland, Ohio July 3-6, 2008. We are also very aware that many of the IAGSDC clubs are also very busy teaching and working with new students to get them ready to attend their first convention. In that spirit, we want to get as many of the newly graduated dancers to attend their first convention as possible. We believe that once they attend their first convention, they will be hooked and will want to attend every year. That is why Touch a Quarter Century is offering a “Silver Babies” discount.

Thanks to the generosity of All Join Hands, TAQC is able to offer this special Silver Babies discount at a rate of \$125. In order to qualify for the discount, you must satisfy the following requirements:

1. You must be a dancer that has successfully completed Mainstream or Plus, in the last year, in accordance with Callerlab.
2. A representative of your current club must provide a letter affirming this information.
3. You have never attended a previous IAGSDC convention.
4. You have never applied to the New Dancer Convention Incentive Program

If you meet and agree to these requirements, please register today at www.taqc.org. Place a note in the comments section that you are registering as a Silver Baby. When you receive your confirmation, the rate will be changed. Information of where to send your payment will be enclosed in that confirmation email. You should send the letter from your club with your payment. If you have any questions about this, please send an email to registration@taqc.org.
